Memorandum Endorsement

Chevron Corp. v. Donziger, 11-cv-0691 (LAK)

Chevron Corporation (“Chevron”) moves to hold Donziger in civil contempt of court for failure to comply with the Court’s orders of August 15 and 21, 2018 (the “Orders”) and for coercive sanctions to compel compliance. It now acknowledges that Donziger recently executed, acknowledged before a notary, and delivered the document that was the subject of the Orders although he did so very belatedly. [DI 2104] In the circumstances, the motion to impose coercive sanctions to compel compliance with the Orders is denied as moot. This ruling is without prejudice to any application for compensatory or other relief.

SO ORDERED.
